

McDonald's Safety+ Website

Privacy Policy

Thank you for providing your data for COVID-19 contact tracing. Contact tracing is key to slowing the spread of COVID-19 and helps protect you, your family, and your community. We appreciate you taking the time to provide your information.

The region where you are has passed a law or regulation requiring restaurants to ask guests for information to support contact tracing efforts. This website collects your name and contact information, as well as the date and time you visited a McDonald's-branded restaurant.

Your information may be shared with public health departments or other agencies if requested for contact tracing or public health purposes. Your information will not be used for other purposes except as permitted or required by law.

If the restaurant you have visited is owned and operated by McDonald's, your data will be collected by the McDonald's Corporation. If the restaurant you have visited is owned and operated by a franchisee of McDonald's, your data will be collected by that franchisee.

This Privacy Policy is effective as of 02/10/2021 and any updates will be posted on this Safety+ website.
